

Substantial Contribution application for Zachary Wildes

Dear Judge Glenn,

Thank you for the work this court has done for the creditors of Celsius during the Chapter 11 process. I am glad to see that the vote passed and we are quickly moving to have a complete resolution here. I also appreciate the UCC and the Debtors working out a settlement with me in regards to CEL token (Document 3486). I respectfully submit my invoices for reimbursement and look forward to our recovery and Newco!

Thank you.
